

# Mechanical Breakdown Insurance

## Vehicle Categories as at 2 May 2018

This applies to all MBI policies underwritten by DPL Insurance Limited.

### Vehicle Categories<sup>1</sup>

- Vehicle category is a group of vehicles, which have similar average cost of repairs, as well as the frequency and severity of mechanical and electrical faults and failures that occur.
- Vehicle category is an important factor for determining the insurance premium of the vehicle.
- Selecting an incorrect vehicle category will breach the duty of disclosure and result in the insurance policy being cancelled.
- Autosure reserves the right, at its sole discretion, to change, add or remove all or any vehicles included in these lists, at any time without notice.
